

Dear Parents,

Welcome to the Three Year Old Preschool Program at Saint Bernadette School! Mrs. Benacquista and I are excited to be working with your children this year.

Throughout the school year, we will work through many “themes,” sometimes spending two to three classes on each. It’s hard to stop when we are having so much fun! Our first two themes are friends and families and apples. During our friends and family theme, discussions and activities will help children to know that families come in all shapes and sizes, and that families love and care for one another. We will also talk about how children can be a friend.

By exploring apples, students will come to understand the parts of an apple and how apples grow. We will make applesauce this month, too.

During the entire year, while we learn and play, we will recognize our names, letters, shapes, colors and numbers. Science and math will also be important parts of our thematic lessons.

We are looking forward to a great year!  
Mrs. Morgano and Mrs. B.

### **Important Dates**

September 20<sup>th</sup> ~ PTG Meeting

September 21<sup>st</sup>~ Picture Day

September 30<sup>th</sup>~ Yellow Day

### **About Me Page**

Please remember to send your child’s “About Me” page to school. When we receive all of the pages, we will bind them together to make a class book. Each child will then get to take the book home to share with his family.
